LOCAL AND MISCELLANEOUS.

—The Oil City Register is to issue a daily from that office in a short time. It is to be called the Daily Register.

—On Wednesday evening, 2d inst., the Good Templars held an election for officers for the ensuing term. A full attendance is desired.

—Maj. M. Clatock, of the Tidoute Journal, favored us with a call on Saturday last. He reports business in Tidoute as being lively, and he really looks as though he was losing no money on the Journal.

—A Quarterly Meeting of the M. E. Church will be held at Asbury Chapel, five miles west of this place, on Saturday and Sunday, Nov. 12th and 13th. All interested are invited to be present.

—The Mutual B. D. C., of Meadville were scouted by the Senecas of Oil City, at the latter place, on Monday of last week, to the tune of 39 to 18. A return game will be played in Meadville some day this week.

—The waters of the Allegheny River, up to present writing, have not been this full up to rafting stage. Fears are felt that winter will set in before the water raises, thus destroying the rafting business for this season.

—As we are somewhat strange in this locality at present, we would ask our friends to inform us of any items of local interest, which may take place in the county. Just state the facts in case, and we will "polish them off."

—Hilbrenner & Co. have just received a complete assortment of Ladies' and Gents' Furs, which they will sell at living prices. They advertise in the REPUBLICAN, and it is morally certain that you can do better there than at any establishment that neglects this very necessary agency.

—A. P. Whitaker, Esq., who for some years past has been senior editor of the Venango Spectator, severed his connection with that paper with last week's issue. He retires because of ill health. J. H. Whitaker, heretofore junior, will continue the publication of the Spectator.

—W. F. Chalfant, Esq., who has been connected with Meadville papers for about a year past, has purchased the Argus establishment, at Greenville. Mr. Chalfant is an old journalist, and we have no doubt but that he will give the Republicans of his vicinity, perfect satisfaction. The retiring editor, Mr. J. Miller, bears with him the good wishes of all his former patrons.

—The Titusville Courier has made the discovery that there is an honest man in Titusville. A hod-carrier named Ed. Heffman, had five hundred dollars in a bank, and the cashier made a little mistake of \$500, giving Heffman \$1,000. The hod-carrier carried the extra \$500 back to the cashier as soon as he discovered the mistake. All honor to the hod-carrier.

—AN OLD LANDMARK GONE.—Mr. William Compton, formerly of Vernon township, Crawford county, died at the residence of his son, Capt. Compton, in Lanark, Ill., on Monday of last week, of typhoid pneumonia. He was 76 years old, and had spent most of his days up to April, '69 in Crawford county. He was in the war of 1812 and drew a pension for services rendered at the time of his death. His remains were brought to Meadville, and were followed to the grave by a large concourse of relatives and friends.

He was for 36 years an elder in the 1st Presbyterian Church of Meadville, at which church the funeral services were held.

—A deer-shootist of our place was arraigned before Esq. Merrell, last week on the charge of hounding deer contrary to law. The evidence not being sufficient to convict him he was discharged.

Sportmen: we have laws, and they must be respected.
Informers: be sure you're right before you go ahead.

—We have received Vol. I, No. 1, of The Petroleum Monthly, published by S. R. Irvin and J. H. Bowman. It is devoted exclusively to the interests of the Oil Business, and should be in the hands of every producer and dealer in the oil regions. The first number contains a life-like portrait of E. L. Drake, and also his biography. Price, \$3.00 per annum, in advance. Success to the new Monthly.

—The first day of January next or sooner will see a fearful slaughter among the daily papers in this portion of the State.—Glaslight.

What! is the Glaslight about to douse her glim, to snuff out her illuminating blaze, and after Jan. 1st, become "the light of other days"? We fear that Pleasantville will have to use kerosene hereafter to light up her intellectual darkness.

—The Elk County Advocate says: Ridgway cast one "Black Abolitionist, Radical Republican vote." And that one vote saves Ridgway from the stigma of total depravity. When Sodom was destroyed there was found but one righteous man in the whole of that great city. Were Ridgway to be destroyed on the same principle that Sodom was, that "Black Abolitionist Radical Republican" would prove the Lot of the Sodom of Ridgway.

—Coming from Meadville one morning last week, we saw an instance of pure "cussedness" which raised our ire somewhat. Some brute had cut about a dozen slits in the cushions of a car seat, varying from two to five inches in length. Any creature who would, in cool blood, without the slightest cause, commit such an act, should have his bump of destructiveness carved in about four inches.

—J. T. Dale, W. P. Neill, and John Halings, who have been for a couple of weeks deer hunting in the mountains of Virginia, returned home on Monday of last week. We didn't have any venison sent around to us, so we conclude they didn't have their usual luck. Mr. Dale sprained his ankle soon after his arrival on the hunting ground, and was able to be out but one day. This, we suppose will account for the present high price of venison.

The Bridge Question.

MR. EDITOR:—Permit me to ask through your columns, what has become of the Bridge at Tionesta? Last winter the Legislature granted two charters for bridge purposes to parties here. We were assured by each side that it was only necessary to have a charter, that most of the stock was pledged, and all available, and that immediate action was to be taken. Some of us became somewhat agitated for fear two bridges would be built. No such extravagance has been indulged in, however it may have been intended.

We never needed a bridge as we do now, and the interests of the county are every day making it more apparent, that now is the time for action. We think it hardly possible for each party to build a bridge, but it is certainly possible to build one, if it both unite. We would earnestly suggest a co-operation of forces and funds, leaving it to the majority in interest to say where the bridge shall be located.

What say our capitalists to this plan?

BALLOU'S MAGAZINE FOR NOVEMBER.—We have received the November number of Ballou's magazine, and have read it with interest, as we always do every month Ballou is issued. It has the best variety of contents of any magazine in the country. Its romances are always well written, its sea stories such as only true-hearted sailors can write, and all the reading is original and of the best quality. There are 100 pages, 16 of them with illustrated subjects, and all for the small sum of 15 cents, or \$1.50 per year. Great improvements are promised for the coming year. All periodical dealers sell Ballou's. Thomas & Talbot, 63 Congress street, Boston, are the publishers.

TIT BITS FOR TRAVELERS.—If you are going traveling, be sure and provide yourself with a copy of Tit Bits for railway readers. It will while away the tedium of the journey, and prove a pleasant companion of your leisure moments. All news dealers have it for sale.

—The Little Corporal Magazine for November is a most beautiful number of a most beautiful juvenile—good enough for the most exacting. Since its enlargement and improvement, and the addition of fine full page and other engravings, the Little Corporal is worthy a circulation of at least a hundred thousand. The remaining numbers of 1870 are offered free to all who subscribe now for the next year. Don't fail to give your children this sterling juvenile magazine. It is published in Chicago, Illinois, by Sewell & Miller, at one dollar and a half a year, 15 cents for a single copy. Beautiful and generous premiums are given for clubs.

TIT BITS FOR TRAVELERS.—Under the above title, an exceedingly interesting little book for Railway Reading, from the pen of Mr. Geo. L. Catlin, has recently made its appearance in the hands of booksellers and news dealers. It purports to consist of "random pages from a reporter's scrap book," and is in fact a miscellany of verses, narratives and sketches with which the traveler may enjoyably fill up half hour here and there during his journey.

—A good head of hair is desired by everyone. The use of Hall's Vegetable Sicilian Hair Renewer will restore the hair if the hair cells are not closed up.

D. S. KNOX & Co. have just received another large invoice of agricultural implements, consisting in part of forks, rakes, scythes, hoes, &c. which they are selling at greatly reduced figures.

PIRATES AT GREAT BARGAINS.—J. C. Hull, of Meadville, Pa., is offering to sell the Steiway, Chickering, Bradbury and some other makes, at greatly reduced prices. Also Organs and Melodeons.

CARPENTERS, Blacksmiths, Saw mill men, Oil men, and other citizens of Forest county, who are in want of anything in the Hardware line, should go to Andrews & Co., Tidoute. They have the largest stock in this section of the country. They are making and repairing all kinds of Machinery and Saw mill castings at short notice.

DENTISTRY.—A. J. Stiles, Dentist, Tidoute, Pa., has the reputation of being one of the most expert Dentists in this section. He uses all the modern appliances for extracting teeth without pain, such as Chloroform, Ether Nitrous Gas, or the new method of Freezing the Gums with Spray. The most delicate and difficult operations of filling the teeth with gold skillfully performed. He also uses a new preparation, "Os Artificial," which supplies the bone lost by decay, and is applied without pain. A long experience in the business, and the large patronage given Mr. Stiles, is sufficient evidence that his work gives satisfaction. Office over Acorn's Drug Store, Tidoute.

A. H. STEELE, Cashier Tionesta Savings Bank, has been appointed agent for the celebrated "Inman Line Ocean Steamers," at this place. Any person desirous of going to Europe or bringing friends to this country, will do well to call on Mr. Steele, who will furnish them with all the information required.

The Plaintiff in the above bill says, That they are the owners in fee of one hundred and fifty acres of land, or thereabouts, situated in Harmony Township, said County, described as follows: Being part of the Tract known as the Survey, bounded on the north by land of George Dunlap, east by land now or formerly of J. ADDRESS

To the Nervous

AND

DEBILITATED.

WHOSE sufferings have been promoted from hidden causes, and whose cases require prompt treatment to render existence desirable;

If you are suffering, or have suffered from involuntary discharges, what effect does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or sticky, or is itropy on setting? Or does a thick skum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, mooping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dulled and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have your restless nights? Your back aches, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man Did you ever think that those bold, dand, energetic, persevering, successful business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any meanness about them. I do not mean those who keep the organs inflamed by running to excess. Those will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the general system so much as to produce almost every other disease—idiotcy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Buchu, established upward of 19 years, prepared by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.
